### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Applicant's remarks presented on pages 6-10 submitted with the Amendment filed on December 27, 2004 are found to be persuasive. Thus, the Examiner considers applicant's remarks relevant and makes the file record clear. A substance of reasons for allowance is detailed by applicant's remarks, thus, the Examiner believes applicant's claimed invention as presented is patentably distinct from the prior art relied upon by the Examiner as well as the prior art made of record. There being no outstanding issues, the Examiner believes applicant's invention is deemed allowable.

### **CONCLUSION**

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
